

CSE 3902 Student Information Form

Full Name (as you prefer to be called): _____ MBTI: _____

Academic level at OSU: Sophomore Junior Senior Graduate-Student

If there other students within this section you would prefer to be placed on a team with, please list them here:

- _____
- _____
- _____
- _____
- _____

Would you prefer to (choose one):

- Be assigned to a team where each member has approximately the same skills/experience
- Be assigned to a team where at least one skilled/experienced member exists and functions as team lead
- No preference.

Please describe the best days and times you would be available to meet with your team members.

Please describe any goals you would like to achieve from taking this course.

Competency Level	Description
High = 3.99 – 3.0	I can work with very little use of reference materials to look up usage and operation information in this area.
Medium = 2.99 – 2.0	I need to keep reference materials at hand while working, but don't use them heavily.
Low = 1.99 – 1.0	I am frequently looking up usage and operation information in this area.
None = .99 – 0.0	I think I can spell it, but have little or no practical skills in this area.
